Priority of Access Policy

PURPOSE

Enrolments will be determined in accordance with the Preschool Enrolment Policy of the Department of Education and Children’s Services (DECS) and this Preschool Priority of Access Policy will inform parents / guardians of the criteria that will be used to prioritise enrolments in the event that the site has reached enrolment capacity.

SCOPE

Families are entitled to enrol in any DECS preschool service across South Australia; however where the demand for preschool places exceeds the capacity (number of places available) at that site then the priority of access policy will apply to guide equity in allocating preschool places.

OBJECTIVES

Parents / guardians who register intent to enrol at the preschool will have their application for enrolment assessed by the site leader and / or Regional Office staff as outlined in Procedure Details. Where a place cannot be offered parents / guardians will be provided with the names of alternate local preschools.

PROCEDURE DETAILS

Enrolments will be assessed using the following criteria:-

Criteria 1: To be used if demand exceeds capacity

(Note: The Regional Office has agreed to ensure that at least one option is available to all families living in the region)

Children living in the immediate local area, known as the priority catchment area will have 1st priority.

Moana Kindergarten’s priority catchment area is the area south of Seaforf Road to the intersection of Maslin Beach Road and Commercial Road with the west border being the coast and the eastern border being Commercial Road (please see attached map)
Criteria 2: To be applied if the number of enrolments meeting criteria one exceeds capacity

Children who meet the first criteria AND one or more of the following indicators;
